

CWS' Adopt a PHC Campaign

Dear BANA Members,

Our Adopt a Primary Health Care (PHC) Centre in rural India project is going full steam ahead with 44 PHCs supported and 214 more identified as in need. **These 44 PHCs are serving ~ 50,000 patients every month through incredibly dedicated**

3365 staff. Thanks to in-kind donations, we have also rapidly provided oxygen concentrators where they have urgently needed. Currently, there is a rapidly growing need for home isolation kits as well.

Please listen to nurse Nagamma from the Hebbalaguppe PHC.

Thanks to the generous support of **205 individual donors** from India, US and Europe, we have now raised **Rs. 1,34,91,259 (USD \$183,935)**. Help us reach our goal of **Rs.1,50,00,000 (USD \$200,000)**.
